

PDF -Docs Configuration

To Configurat the PDF-Configuration you need Either One drive for business account. OR One drive for personal account

One Drive for Business Account :

Navigate to Settings >> PDF -Configuration.

Click on Get Authorized code link to login the One drive for business account.

The screenshot shows the Dynamics 365 interface for PDF-DOCS Configuration. The top navigation bar includes 'Dynamics 365', 'Settings', and 'PDF-DOCS Configur...'. Below this is a yellow banner for 'Apps for Dynamics 365'. The main content area has a breadcrumb trail: 'PDF Configuration' > 'Cloud Configuratoin'. The section title is 'Generate Access Token'. Below the title, there is a link 'Link to generate Authorize code [Get Authorize code](#)'. A label 'Authorize code' is positioned above a large empty text input field. Below the input field is a button labeled 'Get Access Token'. At the bottom, there is a label 'Access Token' above another large empty text input field.
